Appendix 7 - Scorton Quarry Species Recording - PLANTS

Recorded Species.	Location on site	Observation	Legislation/ Conservation Status	Site status	Data source	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022
White campion					MH										Y					Y
Red campion					MH															Y
Ragged Robin					MH															Y
Nipplewort					MH										Y					Y
White clover					MH															Y
Dandelion					MH															Y
Teasle					MH															Y
Vipers Bugloss					MH															Y
Forget me not					MH															Y
Creeping buttercup					MH															Y
Creeping thistle					MH															Y
Spear thistle					MH															Y
Pineapple weed					MH															Y
Milk thistle					MH															Y
Ragwort					MH															Y
Broad leafed dock					MH															Y
Hard rush					MH															Y
Soft rush					MH															Y
Bulrush					MH															Y
Wood avens					MH															Y
Bramble					MH															Y
Rest harrow					MH															Y
Hogweed					MH															Y
Sowthistle					MH															Y
Weld					MH															Y
Field poppy					MH															Y
Goats Beard					MH															Y
Cleavers					MH															Y
Hedge garlic					MH															Y
Upright hedge-parsley					MH															Y
Black Horehound					MH															Y
Hedge parsley					MH															Y
Narrow leaved dock					MH															Y
Figwort					MH															Y
Cow parsley					MH															Y
Selfheal					MH															Y
Broom					MH															Y
Coltsfoot					MH															Y
Hop flowered clover					MH															Y
Red clover					MH															Y
Bush vetch					MH															Y
Grass pea					MH															Y
Black medick					MH															Y
Silver weed					MH															Y
Brooklime					MH															Y

Birds foot trefoil					MH															Y
Common reed					MH															Y
Great willowherb					MH															Y
Ox eye daisy					MH															Y
Ribwort plantain					MH															Y
Broad leaved plantain					MH															Y
Fat hen					MH															Y
Broad leaved willowherb					MH															Y
Perennial sowthistle					MH															Y
Rosebay willowherb					MH															Y
Bristly ox tongue					MH															Y
Hemp agrimony					MH															Y
Tares					MH															Y
Yellow flag iris					MH															Y
Slender leaved melilot					MH															Y
Yarrow					MH															Y
Common field speedwell					MH															Y
Common centaury					MH															Y
Black knapweed					MH															Y
Nettle					MH															Y
Curly leaved dock					MH															Y
Redshank					MH															Y
Mudwort	Parkland pools				MH								Y							
Large Bitter-cress					MH															Y
Shepherds purse					MH															Y
Red bartsia					MH															Y
Bee orchid	2017 - closed footpath on north bank of main lake - 1 plant. 2018 same location and on bank +35 plants. 2018 also 4 plants on edge of road near gorse viewpoint at pahse 4.				MH										Y					Y
Common spotted orchid	2019 spreading into middle area of Uckerby.				MH												Y			Y
Field speedwell					MH															Y
Scentless mayweed					MH															Y
Knotgrass					MH															Y
Smooth cat's-ear					MH															Y
Cowslip					MH															Y
Meadow cranesbill					MH															Y
Meadow foxtail					MH															Y
Timothy					MH															Y
Sweet vernal grass					MH															Y
Sheeps fescue					MH															Y
Lady's bedstraw					MH															Y
Mouse eared chickweed					MH															Y
Quaking grass					MH															Y
Field scabious					MH															Y
Crested dogs tail					MH															Y
Yellow rattle					MH															Y
Bladder campion					MH															Y

Sorrel					MH															Y
Musk mallow					MH															Y
Himalayan balsam					MH															Y
Groundsel					MH															Y
White dead nettle					MH															Y
Red dead nettle					MH															Y
Butterbur					MH															Y
Field pansy					MH															Y
Meadow Buttercup					MH															Y
Lady's mantle					MH															Y
Harts Tongue Fern					MH															Y
Crosswort					MH															Y
Pearlwort					MH															Y
Water Parsnip					MH															Y
Scarlet Pimpernel					MH															Y
Northern marsh orchid	Western grass strip on edge of Phase 4 lake. 1 plant.				MH															Y
Cuckoo Flower					MH															Y
Winter cress					MH															Y
Yorkshire Fog					MH															Y
Cocksfoot					MH															Y
Gorse					MH															Y
Ash					MH															Y
Aspen					MH															Y
Oak					MH															Y
Blackthorn					MH															Y
Hawthorn					MH															Y
Field Maple					MH															Y
Hazel					MH															Y
Elder					MH															Y
